### **PERSONAL DEVELOPMENT**

#### **Career Change with Courage—3 Powerful Steps to Doing Work You Love**

Is your career at a standstill? Is the work you once enjoyed now just a paycheck? Do you doubt your career choice altogether? If you answered yes to any of these questions then this class is for you. You'll assess how you made your past career decisions, learn whether you really want to leave your current work and take action to create your career change plan.

Saturday, 10:00 a.m. – 12:30 p.m., October 29, cost \$35

### **COOKING**

#### **Chocolate Truffle Class**

Great for gifts at a fraction of the store bought cost and better quality. A full day of chocolatiering for the beginner or for the avid cook, learning how to temper chocolate, hand dip centers, and use several different kinds of molds.

Saturday, 10:00 a.m. – 4:00 p.m., October 29, cost \$94

#### **Thai Cooking: Basics**

Sample and learn about the ingredients used to make Phad Thai (stir fried rice noodles with chicken), Tom Yum (hot and sour lemongrass and seafood soup), and green papaya salad.

Tuesday, 6:30 p.m. – 9:00 p.m., November 1, cost \$50

## **YOUR TIME AND MONEY**

### **Create a Debt-Elimination Plan**

The choice is yours. You can continue to give your hard earned money to your creditors, or you can keep most of it for yourself! Bring your debt information along with a calculator and leave with a personalized debt-elimination plan. A free debt-analysis will be provided for each attendee. Register with a partner and pay \$49 for both.

Thursday, 6:00 p.m. – 9:00 p.m., November 3, cost \$39

### **How to Start and Operate a Small Business**

This 5-session course is an overview of launching and operating a small business: types of ownership and licensing requirements, risk and financial analysis, establishing prices for product/service, sales forecasting, developing winning sales and marketing strategies, and building a plan for personal and business success. Our instructor has over 35 years of experiences in sales, finance, and marketing and is the author of “Successful Business Plans for Lemonade Stands: How to Create a Written Success Strategy for the Micro-Business.”

Wednesday, 6:00 p.m. – 9:00 p.m., starting November 2, cost \$99

### **Home Repairs 101**

How to develop a home maintenance schedule for the annual and seasonal attention your house needs. Gain an understanding of basic home repairs-plumbing, electrical, hanging items on the wall and painting. Next time you will be able to fix the running toilet or change the furnace filter!

Wednesday, 6:00 p.m. – 9:00 p.m., November 2, cost \$39
