## **Duwamish Campus Celebrates Capital Improvements**

Duwamish Apprenticeship & Education Center

Friday, June 2, 11:30 a.m.

6770 East Marginal Way South, Seattle, WA 98108

South Seattle Community College invites the media to see the recent developments at our Duwamish Apprenticeship & Education Center.

We are beginning construction of three new buildings for:

- The trowel trades (cement masons, bricklayers, caulkers, and tile setters)
- District Council 5 Allied Trades (painters, strippers, drywall finishers, glaziers and floor coverers)
- College classrooms

We are also moving forward with the development of the Puget Sound Industrial Excellence Center (PSIEC), which is to take shape on land formerly occupied by the “Hat & Boots” gas station. The project joins business, labor, industry and education. A major goal of the PSIEC is to add services to assist local businesses with a particular focus on manufacturing, construction and transportation industries.

The following is a schedule of events:

- 11:30 a.m. – Program
- 12:15 p.m. – Light Buffet Lunch
- 12:30 p.m. – Training Info Breakout
- 12:45 p.m. – New Building Tours
