Members of the public interested in pursuing a career in nursing are invited to an orientation session at South Seattle Community College. The Certified Nursing Assistant (CNA) program will be presented the first hour, followed by the Licensed Practical Nurse (LPN) program. The final hour will be dedicated to our new LPN to RN (Registered Nurse) Ladder program. Orientation is a time to ask questions about the programs and sign up for required entrance exams.

Non-native English speakers and other educationally disadvantaged students should ask about the Healthcare Pathway Program, which is designed to help them make the transition to college level programs and to succeed in Health Sciences careers.
