Learn about South Seattle Community College's new Transportation, Logistics, and Supply Chain Management Program at a free information session. The short-term, 19-**credit** certificate program is designed for working adults who want to upgrade their skills in transportation, trade and logistics, or enhance their knowledge of the field.

Courses cover all aspects of the industry, including airport and seaport operations, supply chain management, domestic and international freight operations, and transportation and border security. The inaugural 3-credit class, *Logistics 235 – Fundamentals of Transportation, Logistics, and Supply Chain Management*, begins winter quarter and will be held Tuesday evenings from 6 – 8 pm at South's Georgetown Campus. Students will have the opportunity to register for the class during the information session.

For more information, call (206) 764-5350 or visit www.southseattle.edu.
