## **Diesel & Heavy Duty Equipment Technology Program Wins EnviroStars™ Certification**

*Program recognized for practicing environmental responsibility*

South Seattle Community College's Diesel & Heavy Duty Equipment Technology program has been awarded EnviroStars™ certification from the King County Department of Natural Resources & Parks, Local Hazardous Waste Management Program. The program received a four star rating for properly managing and reducing hazardous materials, waste and emissions. This award acknowledges the program has demonstrated a strong commitment to environmentally responsible practices.

This is the third program at South to win EnviroStars™ certification. Automotive Collision Repair and Landscape Horticulture were both recognized and awarded certification in 2010.
