

REQUIRED IMMUNIZATIONS

South Seattle Community College Nursing Program

Please provide an official record of these immunizations to the SSCC Nursing Program. You can present your records before the established deadline. You must turn in your records by the established deadline in order to be allowed into the program.

Immunizations must be up to date in order to have client contact at your clinical internship. If your immunization status is unknown or not current, you can receive further assistance from your personal doctor or at your local Public Health Clinic (see listings on back of sheet).
