

College Transfer Information Four-Year Schools in Washington

It is very important to be able to navigate the four-year school's websites when planning your transfer. Below you will find links to each college and specific websites that will help you research each school and what you need to do to apply. Remember, at many schools, you will need to apply to both the school and your major, so make sure you check out both set of requirements.

Transfer Admissions = Will provide you with deadlines, requirements, and contact information.

Transfer Guide = School specific transfer information for prospective transfer students

Equivalency Guide = Provides information about how courses at South Seattle CC will transfer to that college.

Major Planning = Find out what prerequisite courses you need to apply to your major, if an application is needed, and specific information about that major.

Transfer Scholarships: Link to scholarship information

Antioch University

Transfer Admissions: <http://www.antiochseattle.edu/futurestudents/admissions/index.html>
