

APPEAL TO CHANGE MAJOR/PROGRAM OF STUDY

Additional financial aid funding is based on federal and state financial aid guidelines and is not guaranteed!

If you would like to pursue a second program of study, please complete the following:

1. Indicate the quarter(s) for which you are requesting additional aid:
FALL____ WINTER____ SPRING____ SUM____

2. Write a letter answering the two questions below (attach it to this form along with the “degree planning form”) and return it to the Financial Aid Office:
 - a) What are the benefits of you completing a new program?

 - b) What other sources of funding are you pursuing along with financial aid (financial aid funding is designed to assist students with one degree/certificate, therefore you may not be granted aid for all of the quarters requested).

See an advisor in the Advising Center and have her/him complete a “Degree Planning Form” for your major and sign this form to verify the following courses *are required for your new program of study at SSCC.*

Please list the remaining classes you will need:
