

FINANCIAL AID GUIDE

Fall 2009 through Summer 2010 • (206) 764-5317

Eligibility Requirements

To receive financial aid students must meet the following requirements:

- ◆ Be a United States citizen or an eligible non-citizen
- ◆ Be working toward an eligible degree or certificate
- ◆ Be making satisfactory academic progress
- ◆ Have a high school diploma, GED or pass a designated test
- ◆ Be registered with Selective Service (Male students 18 and over)
- ◆ Submit an application and have financial need as determined by the Financial Aid Office
- ◆ Not owe a repayment on a grant or be in default on a federal educational loan.

The Financial Aid Office and students must follow regulations set by the Federal and Washington State governments. The college also follows strict guidelines in awarding financial aid. Aid will not be awarded until all required forms are **accurately completed and received**. Eight weeks after submitting your Free Application for Federal Student Aid (FAFSA), you may check the status of your application. Any conflicting information on your application must be clarified before aid will be awarded. **Applying for aid usually takes two to three months to complete and in some cases it may take longer. Please plan ahead.**

Steps To Complete Financial Aid Process

1. Complete the Free Application For Federal Student Aid (FAFSA).

**South Seattle's Title IV
Code is 009706**

You may apply electronically at www.fafsa.ed.gov. It is recommended that you wait to complete the FAFSA until you and your parents (if required) have filed your 2008 federal income tax return. Your application must be signed using your PIN or the signature sheet must be mailed to the processor. You can request a PIN by logging on to www.pin.ed.gov. You should keep a copy of the FAFSA and all documents used to complete the FAFSA.

All questions must be completed unless you are instructed to skip a question. Corrections will prolong the reviewing of your file, therefore be accurate when completing the form.

You will receive an Electronic Student Aid Report (ESAR) approximately 7-10 days after you apply electronically. Review the entire ESAR for accuracy. If corrections are required, bring the changes to the Financial Aid Office for assistance.

2. Once you receive your ESAR, complete the **Financial Aid Data Sheet** and return it to the Financial Aid Office. The Data Sheet is available in the Financial Aid Office or at www.southseattle.edu.
3. If the ESAR indicates that you have been selected for verification you must complete a **Verification Worksheet**, attach the required (signed) tax forms and submit them to the Financial Aid Office.
4. Submit an official transcript evaluation to the Financial Aid Office. **An official transcript evaluation is required for all colleges previously attended including foreign schools.** You must request official copies of all previous college transcripts to be sent directly to yourself, bring

the transcripts in the original sealed envelope to the Financial Aid Office, and complete an *Incoming Academic Transcript Evaluation Request* form.

It is the student's responsibility to turn in a copy of the official credit evaluation to the Financial Aid Office.

Awarding Cycle Dates

Completed applications are evaluated on a first-come, first-served basis in the awarding cycles listed below. Students who complete the application process by the awarding cycle date are assured notification of financial aid eligibility by the first day of class. To meet these deadlines you must submit an accurate FAFSA to the processor at least 12 weeks before the deadline. Also, all additional required documents must be completed accurately, signed and submitted to the financial aid office by the deadline date. Applications completed after the awarding cycle dates will be reviewed as time permits.

Financial Aid Programs

South Seattle Community College does not participate in the Federal Stafford Loan or PLUS Programs.

Your completed application will be reviewed for the following financial aid programs offered through South Seattle Community College.

Federal Programs: Pell Grant, Supplemental Educational Opportunity Grant (SEOG), Academic Competitiveness Grant (ACG), Federal Work Study (FWS), Federal Community Service Learning (FCSL).

State Programs: State Need Grant (SNG), State Work Study (SWS).

College Programs: South Seattle Community College Grant (SSCCG), Tuition Waiver (TW).

Students with a Bachelors Degree (or higher) are only eligible for college programs and work study funding.

Family Contribution

Congress mandates the process used to determine how much the student and his/her family can contribute toward the student's costs. Expected Family Contribution (EFC) is determined by the information reported on the FAFSA. We use the

following formula to determine your eligibility: Cost of Attendance – EFC = Financial Aid need.

Enrollment Status

All students are awarded based on full-time enrollment. If you enroll for less than full-time, you must notify the Financial Aid Office prior to the start of the quarter.

Your aid will be adjusted according to your enrollment level on the census date (the fifth day of the quarter) based on the enrollment status requirements below:

Full time	12+ credits
Three quarter time	9-11 credits
Half time	6-8 credits
Less than half time	1-5 credits

Notification of Award

When an award is made, students are mailed a Financial Aid Notification, which indicates the financial aid program(s) awarded and the amount of the award by quarter. Students should read this notification as well as the Conditions of Award. A signed copy is not required. Students determined ineligible will be notified in writing.

Transfer Students

An official credit evaluation is required for all colleges previously attended. It is the student's responsibility to submit the official evaluation to the Financial Aid Office. Financial Aid is not transferable from one college to the next. You must

contact the school you are transferring to and inquire about their application process.

Remedial Courses Requirement

Only forty-five (45) credits are allowed for remedial courses necessary to enter classes in the student's program of study.

Students must be enrolled in an eligible Financial Aid program leading to a degree or certificate at South Seattle Community College. See the Financial Aid Office for a list of eligible programs.

Return of Title IV Aid

Financial Aid recipients who withdraw from school or stop attending classes may be required to repay all or part of the financial aid they received. Recipients may also be required to pay back, to the college, all or a portion of tuition charges.

Students who attend more than 60 percent of the quarter are considered to have earned 100 percent of the federal or state aid received.

Contact the Financial Aid Office for more information on Return of Title IV funds.

Withdrawal after the following dates will not require a repayment:

Summer Qtr 2009	July 31, 2009
Fall Qtr 2009	Nov 16, 2009
Winter Qtr 2010	Feb 21, 2010
