Consortium Agreement Information

A consortium agreement allows credits taken at another school to be used to meet financial aid credit requirements at SSCC. SSCC is the school which is providing the student with financial aid and from which the student will receive a degree or certificate. The student can receive financial aid only from SSCC.

Requirements

To be eligible to receive a consortium agreement for a specific quarter, the following requirements must be met:

1. The courses you take at the other school must satisfy program requirements that you have not already met and must be transferable to SSCC.
2. The courses you take at the other school are either:
 - a. not offered at SSCC for the particular quarter
or
 - b. are offered for the particular quarter, but the class time(s) conflict with other courses you need to take
3. You must be concurrently enrolled for at least one (1) credit at SSCC.

Application Process

If the credits you are interested in taking at another school meet the requirements listed above, you can apply for a consortium agreement. The application steps are as follows:

1. Complete the “Consortium Agreement Application” on the reverse side of this document.
2. Ask your Academic Advisor or your Counselor to complete their section of the application.
3. Submit the completed application to the Financial Aid Office.

Deadline

To avoid delays in receiving your financial aid, it is strongly recommended that you submit the completed application to the Financial Aid Office at least three (3) weeks prior to the start of the quarter.

Student Notification

SSCC will notify you in writing as to whether or not your consortium agreement application has been approved.
