ALTERNATIVE HIGH SCHOOL MATH PLACEMENT REQUEST FORM
FOR SEATTLE PUBLIC SCHOOL GRADUATES

The purpose of this form is to request equivalent placement into MATH 098 or a college-level math course based on your completion of certain math coursework taken through Seattle Public Schools. The following conditions must be met for the placement to be considered:

1. The Seattle Colleges math course must be taken within two years of the student’s most recent high school math course.

2. The student must have earned a B grade or higher in the Seattle Public Schools high school math course.

3. The student must provide their unofficial or official high school transcript with this request form.
