**Will this course transfer to a 4-year university?**  Yes

ACCT 202 is transferable to most university programs in Business Administration. As with many courses in the State of Washington, the ACCT courses (201, 202 and 203) are designated "common" courses and have similar content to identically-titled courses at other colleges. This characteristic may enhance the probability of acceptance by other colleges. As with all courses, however, students should verify, in advance, transferability of coursework by contacting the university or program receiving.

Please Describe:

Transfers to the University of Washington as ACCTG 215 in Business Administration.
