Why do I have to complete this form? Your application was selected for a process called “Verification.” During this process, the Financial Aid Office will be comparing information from your FAFSA application with you and your spouse’s or you and your parent(s)’ financial documents. We are required to review your FAFSA information under financial aid program rules (34 CFR, Part 668). The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, corrections to your FAFSA may be required.
