Change Major Appeal Form

Additional financial aid funding is based on federal and state financial aid guidelines and is not guaranteed!

If you would like to pursue a second program of study, please complete the following:

1. Indicate the quarter(s) for which you are requesting additional aid:

   - [ ] Fall
   - [ ] Winter
   - [ ] Spring
   - [ ] Summer

2. Write a statement answering the following two questions:
   a. What are the benefits of you completing a new program?
   b. What other sources of funding are you pursuing along with financial aid? (Note: Financial Aid funding is designed to assist students with one degree/certificate; therefore you may not be granted aid for all the quarters requested)

You must meet with an Academic Advisor and have them complete an Education Plan for your new major. You must then submit a copy of your Education Plan and your Degree Audit.

By signing this form, you certify that it is your intention to complete this new major at South Seattle College, and that all of the classes on your Education Plan are necessary for your new major.
