Emergency Fund Policies and Procedures
(Updated January 2017)

The Foundation at South Seattle College (SSC) provides Emergency Funds to support student success, retention and completion by assisting the removal of financial barriers students may encounter. The program targets students ready to succeed except for unanticipated financial barriers. The Emergency Fund process is an educational opportunity in which applicants gain awareness of planning for success. Available funding is limited per quarter.

**Emergency Funds are a one-time-only award for:**
- Tuition, fees, and/or required textbooks

  *Note:* Textbooks purchased for students will be obtained in collaboration with Cultural Center Textbook Lending Program.

**Student Eligibility Guidelines:**
- The process requests students to consider and review their financial plan for college, educational pathway, career goals, and other financial resources.
- The award is **not** intended to substitute for the regular Foundation scholarship process or the Financial Aid (FAFSA/WASFA) process. **Students who did not meet the Financial Aid deadline are not eligible.**
- **SAP** – Students not meeting Satisfactory Academic Progress with Financial Aid may or may not be eligible. Please inquire with an Emergency Fund Committee member to discuss your circumstances.
- Emergency Fund awards for BAS degree students are only 50% of tuition.
- Students must:
  - Be eligible for in-state tuition rates or out-of-state tuition waiver.
  - Have achieved a minimum of 12 credits earned at SSC.
  - Have a GPA of 2.0 or higher at SSC (verified by copy of a Degree Audit).
  - Be pursuing, at SSC, their first certificate or degree, or enrolled in a BAS program.
  - Have plans to earn a Financial Aid-eligible academic or professional-technical certificate or degree at SCC.
  - Have no registration holds, fines, or outstanding college-related debt.
  - Have a plan to pay for the remaining costs of their college education.

**Application and Awarding Process:**
1. Student makes appointment with Emergency Fund Committee member (see below).
2. At the appointment, the student provides a completed application with required supporting documentation.
3. Committee member reviews application with student.
4. If eligible, committee member signs application recommending approval, then forwards application to co-chairs for review and placing of Hold on student’s registration.
5. Co-chairs make final awarding decision with priority given to students nearing completion of their program of study.
6. If approved, co-chair will forward application to the Foundation for final approval and processing.
7. Applicants will be notified by co-chair via e-mail or phone of the application outcome.
8. If awarded, student must meet with a Completion Coach or Counselor midway through the quarter to monitor progress.
9. If not approved, the Hold previously placed on the applicant’s registration will be removed two business days after the student is notified.
