Application Packet Steps and Checklist

(Your application needs to be in this order)

☐ 1. Cover Sheet/Checklist with student name
☐ 2. Completed Scholarship Application form in order as noted at the bottom of each page.
☐ 3. Provide a 1 to 2 page personal letter giving background and reasons you should receive a scholarship (provide examples of your personal goals, financial need, unusual circumstances, extra-curricular activities and academic performance).
☐ 4. Attach your most recent transcript if you are a current student who has completed at least one quarter of classes at South. If this is your first quarter at South, please provide transcripts from the school you most recently attended. Unofficial transcripts are accepted.
☐ 5. Provide two letters of recommendation from South Seattle Community College faculty or staff. (There are two letter of recommendation forms at the back of this packet).
☐ 6. Once your application packet is complete, make 7 additional copies of it. You will turn in a total of 8 application packets (the original and 7 duplicates). Please staple each packet separately. Each packet will be distributed to a member of the scholarship committee and should contain the same information in the same order.

Deadline: Monday, April 1, 2013 @ 4:00 p.m.
• Foundation scholarships are tuition only awards, based on the cost of full-time tuition at the time the award is made.

• Foundation scholarships are non-cash awards.

• All South Seattle Community College students are eligible to apply for foundation scholarships, however, preference is given to students who include their most recent transcripts and are currently Washington state residents.

• If you are receiving financial aid, please consult with the financial aid office to confirm whether or not you are eligible to accept scholarship funds.

• The information you provide will be shared with the scholarship committee, and may determine your eligibility for certain scholarships (e.g. program of study, single parent, family history, etc.)

• Please use ink pen or type your application and personal letter; do not use pencil. Your application will not be considered by the committee if it is illegible.

• Many of the foundation scholarships consider financial need. Be sure to itemize your income and expenses, and list the others who live in your household. If your parents do not live in your household, do not list them on the application.

• Your personal letter is critical to your application! This one to two page statement is your opportunity to share with the committee what makes you unique and why you deserve a scholarship. Tell the committee about your family and personal background, extracurricular activities, goals and dreams. Also mention unusual circumstances, your financial need, or describe any other struggles or hardships you’ve had, and how you’ve overcome these obstacles in your path.

• Be sure to request two letters of recommendation now. As a courtesy, please allow your instructor or the person you are requesting the letter from plenty of time to write the letter. Both recommendation letters must be attached to the application at the time it is turned in to the development office or the application will be considered incomplete.

• Everyone who applies will receive a letter mail with the results approximately one month after the deadline.

• Recipients will receive an acceptance form in the mail that must be returned to the Advancement office along with a thank you letter to the donor who made your scholarship possible. Your scholarship will not be applied until these documents are received by the Advancement Office.

• Once we have received your thank-you letter and signed agreement, the scholarship will be available to use the following quarter, and consecutive quarters thereafter (if you received more than one quarter of funding).

• Scholarship awards are for tuition only and will be allocated quarterly. Any remaining balance will not carry over.

• Scholarship recipients are required to attend the Friends of the College Dinner in May.

• Failure of a student to remain in good academic standing or to make satisfactory progress toward a degree may result in withdrawal of the scholarship.

• South Seattle Community College is in Accordance with Washington state anti-discrimination laws, Title VI and VII of the Civil Rights Acts of 1964, Title IX, and Section 504 ADA.

(This is for information only. Do not include this sheet in your application packet)
Some of our scholarships have been set up by donors who have additional criteria. Please check all that apply.
