The South Seattle College Foundation has three opportunities for faculty development awards due to endowments that provide an annual distribution. Funds are intended to develop educational strategies that enable South Seattle College students to be successful. Full-time and part-time faculty members are eligible. **Awarding Process**
Applications will be distributed and made available to all full- and part-time faculty. The Awarding Committee will be made up of three South Seattle College Foundation Board members, the South Seattle College Director of Planning & Research, a South Seattle College Administrator appointed by the College President and a member of the South Seattle College faculty, appointed by the Faculty Union.
The Faculty Excellence in Education Endowment guidelines may be revised upon recommendation of the awarding committee (which includes faculty), and approval of the Foundation Chair, Development Director and the College President.

**Endowment Disbursement**
Initial funding of the endowment was established through gifts of $50,000 from the SSCC Foundation in 2001, 2003 and 2004 and equal state matching contributions in each of those years. The amount available to award each year will be determined each year in the Foundation’s annual budget based on the earnings of the endowment. The Foundation’s current spending policy sets a cap at 5% of the total endowment market value. **For the 2015 year the Foundation has nearly $32,000 in available funds.**
