FOR IMMEDIATE RELEASE:

January 13, 2005

## Celebrate the New Year with Learning

Discover South Seattle Community College's Continuing Education Department.

**French for Beginners:** Learn the French language at your own pace and in a fun and easy way. Learn the most frequently used expressions needed for various common situations – salutations, numbers, days of the week, asking for directions, and ordering in restaurants. Join us on Mondays from 6:00 p.m. to 8:00 p.m. beginning January 24. The cost is \$109.

**Soups & Stocks Basics:** Take part in a detailed discussion and hands-on preparation of the four basic stocks: veal, chicken, fish and vegetable. Learn their function in making tasty soups, sauces and stews. Recipes and classical techniques will be shared along with tastings for quality and flavor. Join us on Tuesday, January 25 from 6:00 p.m. to 9:00 p.m. The cost is \$47.

**Caring for Your Pet's Health:** This course will focus on dogs and cats, but can be applied to any pet species. Topics will include: signs of health and illness, exercise, housing, toys, diet and appropriate weight, grooming, and how to give medicines. The instructor is a veterinarian. Join us on Wednesday, January 26 from 6:00 p.m. to 9:00 p.m. The cost is \$39.

**How to Start and Operate a Small Business:** Learn about starting and operating a small business, including types of ownership and licensing requirements, risk and financial analysis, establishing prices for product/service, sales forecasting, developing winning sales and marketing strategies, and building a plan for personal and business success. Join us Wednesdays beginning January 26 from 6:00 p.m. to 9:00 p.m. The cost is \$94.

**Salsa Dancing:** Learn Salsa the way it is danced by people of all ages in the smallest towns to some of the most exciting nightclub scenes around the world. No partner is necessary. Bring a friend and each save \$5 on the class. Join us on Mondays beginning January 24 from 7:00 p.m. to 8:30 p.m. The cost is \$60.

**Chemical Analysis for Winemakers:** This course is a lecture, demonstration, and hands-on introduction to common analytical processes used by amateur winemakers to monitor, and maintain the quality of new vintage wines. Students are encouraged to bring wines to class for testing and evaluation. Pre-requisite: one or more vintages of winemaking experience. Join us for the first of five sessions on January 25 from 5:30 p.m. to 8:30 p.m. The cost is \$85.
