30 PERCENT OFF PLANTS

Green thumbs can take advantage of the “Year-end Sale” at the South Seattle Community College Garden Center. All plants are 30 percent off. Join us on the north end of campus Thursday June 23 through Saturday, June 25. The center is open from 10:30 a.m. to 3:30 p.m. This facility offers Landscape Horticulture students an opportunity to increase their plant knowledge while gaining retail experience. The Garden Center carries a large variety of unusual perennials, broadleaf and deciduous shrubs, some small trees, natives and house plants.
