Spaces are still available at South Seattle Community College for high school students who need math credits to graduate.

South is offering “Geometry Express” this summer quarter (June 25 – August 16). Students can finish one year’s worth of high school geometry in just 8 weeks.

This course, taught by our outstanding math faculty, covers points, lines and angles, triangles, parallel lines, polygons, proofs on congruence and similarity of triangles. It meets Monday through Thursday, 7:30 a.m. to 9:00 a.m.

Interested students or parents can learn more by calling the college Academic Center at (206) 768-6600.
