Families of South Seattle Community College students are invited to attend a **FREE** workshop on how to support the educational progress of their family member attending the college. Parents, grandparents, siblings, partners, children, and spouses can all positively impact the success of a college student, and this informative workshop will provide them with the tools they need to make a difference.

Attendees will learn about what it is like to be a college student at South; obtain information about campus resources to help students; and discover the many important ways they can help their student get the most out of the college experience.

The family-friendly event features refreshments and door prizes. RSVP's are requested.

This workshop was developed and presented by the AANAPISI grant at South Seattle Community College.
