The concept of IDENTITY is made visual through a broad range of interpretations by South Seattle Community College art students through portraits, personal interests, affinity to historical trends, object as object, geographic location, pets, food, and multiple treatments of different subjects. Student artists have created work embodying the unique characteristics of personhood, recognition, identification, their interpretation of the essential character of IDENTITY.

Please join us for an opening reception for the artists and community from 12-1:30 pm on Tuesday, April 12

Admission is always free and open to the public. For gallery hours and information about future exhibits, visit <http://studentlife.southseattle.edu/art.html>.

The mission of the South Seattle Community College Art Gallery is to introduce students and the community at large to unique artists and their works.
