Using both mixed media and photography, Michelle Bear and Kestral Skyhawk fuse nature, culture and technology together to create stories of beauty and installations on the influence of our natural resources.

Please join us for an opening reception for the artists and community from 12-1:30 pm on Tuesday, February 22.

The mission of the South Seattle Community College Art Gallery is to introduce students and the community at large to unique artists and their works. Receptions are given to afford the opportunity of interacting with the artists. The local and campus community is encouraged to visit the Art Gallery to enjoy the inspiring works of art.

Admission is always free and open to the public. For gallery hours and information about future exhibits, visit <http://studentlife.southseattle.edu/art.html>
