Looking for a Career in Computing? Learn More at South

If you are interested in starting or enhancing a career in computing technology, South Seattle Community College has an open house to answer your questions.

Join us for an evening of answers on Thursday, December 2 from 6:00 p.m. to 7:30 pm. You can learn more about the following programs and the career paths they will open for you:

- Network Technician
- Network Administration
- Software Engineering
- Web Media & Technology

Participants will also learn about funding options for their education, as well transfer agreements and four-year degree options the college offers.

The open house will be held in Olympic Hall, room 105. Parking is available in the adjacent south parking lot.

For more information, call 764-5365. Learn more about our computing programs online at <http://www.southseattle.edu/programs/proftech/comptech.htm>.
