FOR IMMEDIATE RELEASE:

November 3, 2004

More Math Tutor Hours for High School Students

High school students now have more time to find math help with extended hours at South Seattle Community College's tutor center.

Hours have been extended until 8:30 p.m. Monday through Thursday for drop-in math tutoring. Saturday hours remain the same, 10:00 a.m. to 2:00 p.m.

For the cost of one college credit (\$69.00), plus \$5 student I.D card fee, high school students can find inexpensive help for their math studies every quarter at South.

The format is a drop-in tutor lab, not private sessions. Student must be currently enrolled in a high school math class. Interested students or parents can request an enrollment kit by calling (206) 768-6691.

What: **MATH 089** – Math Tutoring for High School Students

When: Fall Quarter – September 27 through December 16
