Transfer News is designed to help South Seattle students negotiate the transfer process. Transfer Resources offers weekly workshops and events designed to help you decide what schools you might like to apply to, what major you are drawn to and how to complete college applications. Remember, you can find Transfer Resources on the South Seattle home page under the Student Resources tab. For more information or help, please contact Lynn Christiansen at 206/934-6478 or at Lynn.Christiansen@seattlecolleges.edu.

Writing Center
South Seattle Community College Writing Center in LIB 205 is available to help you proofread and edit your personal statements. Check them out!

Spring quarter is the time to start thinking about graduation and transfer, no matter how far off it seems! Get going on the following steps:

- Start the Financial Aid process for the 2015-2016 South Seattle College school year, beginning in fall 2015, by completing your FAFSA as soon as possible. The earlier you apply for financial aid, the quicker you will know what you qualify for!

- How many credits do you have? Do a Degree Audit to see what you need to complete your degree. The Degree Audit tool is on the South Seattle.edu page, under My South.

- Ready to Graduate? Make an appointment with an advisor to apply for graduation. Or if you are within 30 credits, you might want to see an advisor to plan your last steps to completion. Call 206/934-5387 to make an appointment now!

- Keep going! Interested in moving from a certificate to a 2-year degree? Make an appointment to visit an advisor to create an educational plan. Call 206/934-5387 to make an appointment now!

- Where do you want to apply? Check out a Transfer Fair or a Transfer Workshop. These events are offered every quarter and are a great way to see what schools, degrees and programs are available!

- Not sure what you want to do? Make an appointment with a counselor to discuss career options. To make an appointment with a counselor, call 206/934-5387.

- Visit Work Source and see what careers and internships are available for someone with your interests, skills and abilities! Check here: http://www.southseattle.edu/worksource/.
