Welcome to the fall edition of Transfer News, a newsletter designed to help South Seattle students negotiate the transfer process. Transfer Resources offers weekly workshops and events designed to help you decide what schools you might like to apply to, what major you are drawn to and how to complete college applications. You can find Transfer Resources on the South Seattle home page under the Student Resources tab. For more information or help, please contact Lynn Christiansen at Lynn.Christiansen@seattlecolleges.edu.

News You Need to Know

Writing Center
South Seattle Community College Writing Center in LIB 205 is available to help you edit your personal statements. Check them out!

 UW Seattle Transfer Thursdays
Visit UW and meet with advisors! Call 206-543-2550 or see: www.admit.washington.edu/TT

Visit the new Transfer Center!
The Transfer Center is located in TRiO SSS, RSB 66, sharing space with TRiO tutoring. College and University representatives will hold table visits where you can talk directly to them about programs they offer, the application process and any other questions you might have. Check the college calendar here for a schedule of visits, events and workshops.

Transfer Resources
Remember, you can find Transfer Resources on the South Seattle home page under the Student Resources tab. For more information or help, please contact Lynn Christiansen at 206/934-6478.

Major Days!
Major Days are really great events happening in November for students who are not sure what Major they want to pursue or are still looking for different schools offering their major. Check these out:

- STEM Major Day, November 5, 2014 in JMB B: Meet with advisors from 4-year schools that offer a variety of science, computer technology, biological science, math and engineering programs.
- Business & Healthcare Pathways Major Day, November 19, 2014 in JMB B: Meet advisors from local 4-year schools offering a variety of business and healthcare pathways. Learn how your degree from South can help you to the next level!
# Transfer Events & Workshops
