## Targeted Resume Help

Get help targeting your resume to a specific job. Call (206) 934-5304 to check for available times to connect with our staff. Make sure to bring a job posting and an electronic copy of your resume.

## Start Next Quarter

Attend an orientation to learn about training programs that can help you gain skills to go back to work, and to see what different funding resources you qualify for.

## Professional Technical Sessions

Learn how to start your career in various Prof-Tech Training Programs. Get help from advisors, meet instructors, and tour the programs

## Orca Lift

Speak with an Orca Lift representative to sign up for a reduced fair program. First come, first served.

## Skills & Abilities Workshop

You will learn to identify, demonstrate and package your skills and personal qualities to be meaningful to employers. You will also learn oral communication skills and practice delivering a 60-Second Commercial – a brief, high impact presentation to potential employers.

Please contact the WorkSource front desk regarding questions or details at (206) 934-5304.
