Participation in the rehearsal and performance process culminating in a performance.

DRMA 110 Rehearsal and Performance
May 2008

STUDENT LEARNING OUTCOMES ADDRESSED:

1. Communication - Speak and write effectively for personal, academic and career purposes.
2. Human Relations - Use social interactive skills to work in groups effectively. Recognize the diversity of cultural influences and values.
3. Critical Thinking and Problem Solving - Think critically in reading and writing.
4. Technology - Select and use appropriate technological tools for personal, academic and career tasks.
5. Personal Responsibility - Value one's own skills, abilities, ideas and art. Take pride in one's work. Be aware of civic and environmental issues.

GENERAL COURSE OBJECTIVES:

At the end of the course the student will:

1. Learn the production and/or performance aspects of producing a full-length play, e.g., set construction, lights, costumes, props, publicity and reservations, action (if cast), directing, etc.
2. Assist in the production of a play.

TOPICAL OUTLINE:

Varies depending on the play and individual student's assignment, but the course covers every detail of producing a full-length play.
